

## COMPANY

*Olives Corbí S.A. is a family business that has been producing hand selected olives and pickled goods for four generations. These products are available in different kinds of packaging according to the demands of today's market.*

Our ongoing concern for quality has led us to enter into large-scale distribution agreements that have made our products available throughout Spain's largest supermarkets. Our products can also be found in shops specialising in nuts and dried fruits, olives and pickled goods. We have earned the confidence of the most important hotel and catering chains in the country.

In line with our dedication to tradition and excellent service, we at Olives Corbí S.A. continue to cover the distribution needs of our small and medium sized

customers, such as restaurant chains, mini-markets and local markets which have always shown great confidence in our product.

In order to meet growing demand, Olives Corbí S.A. currently boasts facilities stretching over 17500 m2 of which 5000 m2 constitute covered warehouses with a storage capacity for 4,5 million kg. of olives and pickled goods. The facilities also include 5 loading/unloading docks and a large refrigerating room.

Each day, we at Olives Corbí S.A., reaffirm our goal of offering maximum quality and prestige to all our consumers. To this end, we have zealously guarded our seasoning and pickling secrets throughout our 60 years of experience, while offering a wide variety of packaging to meet the needs of our customers and consumers. All this gives Olives Corbí S.A. a guarantee of satisfaction that comes with a great product; a product made from tradition, along with the enthusiastic, careful and demanding work practices that have always defined this company's spirit.
